LADYWOOD FACTSHEET

For residents of the towers managed by Birmingham City Council

If you live in The Towers (managed by Birmingham City Council), **you will not need to move** as part of the plans. Instead, a £47.3 million investment will bring major refurbishments to your home and improvements to the surrounding area.

This investment will provide:

- Refurbishment of homes
- Enhanced outdoor spaces, including improved lighting to create safer streets
- New green spaces and parks as part of the wider neighbourhood renewal

Birmingham City Council has already begun the refurbishment programme. Where improvement work has not yet commenced, they will make contact with you directly on the timeline for these works

Objectives and benefits for Ladywood:

- The development of new and affordable housing
- The creation of open spaces, play areas, and parks
- Improved community facilities, including schools, healthcare services, and shared spaces
- Enhanced opportunities for children and young people
- Improved transport links, walking routes, and cycling infrastructure
- Increased employment and training opportunities
- Funding for community-led projects

Who to contact and for what:

Birmingham City Council

- Queries relating to current tenancy and lease.
- Refurbishment of your home queries.
- LadywoodRegeneration@birmingham.gov.uk

St Joseph

- Queries on the consultation
- Queries relating to helping to shape Ladywood and new community space
- 0800 368 7592
- ladywoodcommunity@stjosephhomes.co.uk
