Engagement update – Christmas Market

Joined Farnham Town Council on their Christmas Market stall on Sun 14 Dec, where we spoke to 325 people, of which 195 were residents and 8 businesses. 20 questionnaires were completed on the day, with most other residents taking details of the online commonplace survey.

Great to see you here today!
Farnham Town Council are great and do so much!
Businesses have been hit by traffic problems and road closures.

NEIGHBOURHOOD
Area Committee
Farnham

Issues:
Traffic in the Town. The pedestrian crossing at the top of Downing Street needs relocating. East Street is a disaster. The new parking machines are too confusing. Evening parking charges stop people coming to clubs and events. Residents Associations want to be listened to. Need traffic calming in Wrecclesham.

Compliments:
Love the wider pavements. A great place to live. Love our historic town.
