# LADYWOOD FACTSHEET

## For private homeowners in Ladywood

We have listened to your feedback, and with Birmingham City Council, have made a commitment to minimise demolition and the acquisition of private homes across the site.

As the masterplan develops, we will work to understand your individual circumstances and explore options to help you remain in Ladywood if you wish.

Our priority is to retain as much of the existing community as possible, and we will keep you informed throughout the process.

### Objectives and benefits for Ladywood

- The development of new and affordable housing
- The creation of open spaces, play areas, and parks
- Improved community facilities, including schools, healthcare services, and shared spaces
- Enhanced opportunities for children and young people
- Improved transport links, walking routes, and cycling infrastructure
- Increased employment and training opportunities
- Funding for community-led projects
