Clyde Estate

Please note that this site is part of the complementary planting from the Armley Gyratory Highways Scheme. At this site, we are planning to plant approximately 18 standard trees (larger trees, approximately 6 to 8 ft tall), the locations of which are shown in the above map, where yellow points represent standards. Standard tree planting will occur over the next couple of years.

Snowden Approach

At this site, we are planning to plant approximately 10 standard trees (larger trees, approximately 6 to 8 ft tall), the locations of which are shown in the above map, where yellow points represent standards. Standard tree planting will occur over the next couple of years.

Stanningley Park

At this site, we are planning to plant approximately 12 standard trees (larger trees, approximately 6 to 8 ft tall), the locations of which are shown in the above map, where yellow points represent standards. Standard tree planting will occur over the next couple of years.
