Date: 22 September 2025

Our ref: Redlands/flytipping

Dear Resident,

Update on incident at Haringey Council site close to the Redlands, Summerhill Road

We are writing to provide an update to you about the incident of illegal fly-tipping that took place on Tuesday 9 September at the Haringey Council home development site close to the Redlands on Summerhill Road.

We would like to thank you for your continued patience and understanding, while we carried out surveys and planning work for the safe removal of the waste. As you will hopefully appreciate, the criminals who entered the site left a large about of waste that has required careful planning to remove. Currently:

- the waste removal will begin from today now the safety assessment is completed
- we expect the removal process to take seven to ten working days to complete
- our contractor, Alexander James Contracts Limited, will be working from 8am to 4pm on the site. You will see members of their team and ours working on the site until the removal is complete.
- once the site has been cleared, extra security measures will be put in place.

If you have any further queries about this incident or the work on the site, please contact our team directly at engagement@haringey.gov.uk or at 020 8489 3485 (calls are answered Mon, Wed, Thurs, Fri, 10am-4pm, except during holidays).

We apologise for any distress or inconvenience this may have caused and want to reassure you that we are actively dealing with the issue. Further updates on this matter, and the project in general will be posted online at www.Redlands.commonplace.is.

Kind regards,

Judith Comrie
