Alexander James Contracts Ltd

/ JANSONS ROAD /

Haringey LONDON

Working with Haringey Council

We are working with Haringey to delivery seven new high-quality council homes on the former car park at Jansons Road and Philip Lane.

We are committed to being a considerate neighbour, and your patience and understanding are genuinely appreciated as we progress with these necessary works. Haringey Council states residents' safety and wellbeing should be at the heart of their contractor's work – to which we are committed to upholding as part of our Considerate Constructors Scheme registration and membership.

The Project - What's Coming Next

Over the coming weeks, residents will start to see more visible progress as the building continues to grow. Upcoming works include:

- Continuing the brickwork and structure to the upper floors.
- Installing additional floors and staircases as the building rises.
- Fitting balcony supports as part of the building frame.

These next steps will bring the structure to life even more and represent a significant step forward in the construction process. As works move upwards, there will be increased activity on site, but all operations will continue to follow agreed working hours and safety standards.

Working Hours

Monday to Friday: 8am - 6pm

Saturday: 8am - 1pm
