Improving Broadwater Farm together

Haringey LONDON

Construction of two new zebra crossings on Adams Road - outside The Willow and The Brook Schools - will start on Monday, 29 July.

Start date	Monday, 29 July 2024.
Road closure 1	Monday, 29 July to Monday, 5 August (see map 2).
Road closure 2	Tuesday, 6 August to Sunday, 18 August (see map 2).
Temporary traffic lights	Monday, 19 August to Friday, 30 August.
Completion date	Friday, 30 August.

New zebra crossings work schedule

Traffic diversion routes will be in place during the temporary road closures on Adams Road to ensure you can still move around the estate by vehicle. The road closures have been planned to ensure that you'll be able to access the Manston block car park entrance and The Willow and the Brook schools' vehicle entrances throughout the work. There will still be pedestrian access along Adams Road throughout the works.

Why are we installing two new zebra crossings?

We're removing the existing crossing and installing the two new zebra crossings so they're immediately outside the entrances to The Willow and The Brook Schools.

This work follows the construction of the new 'haul' road and temporary school car park to help ensure the safety of everyone who lives, works, and visits Broadwater Farm.

Map 1 shows the location of the two new zebra crossings. **Map 2** shows the sections of Adams Road we're temporarily closing while we undertake the work.

Safety measures

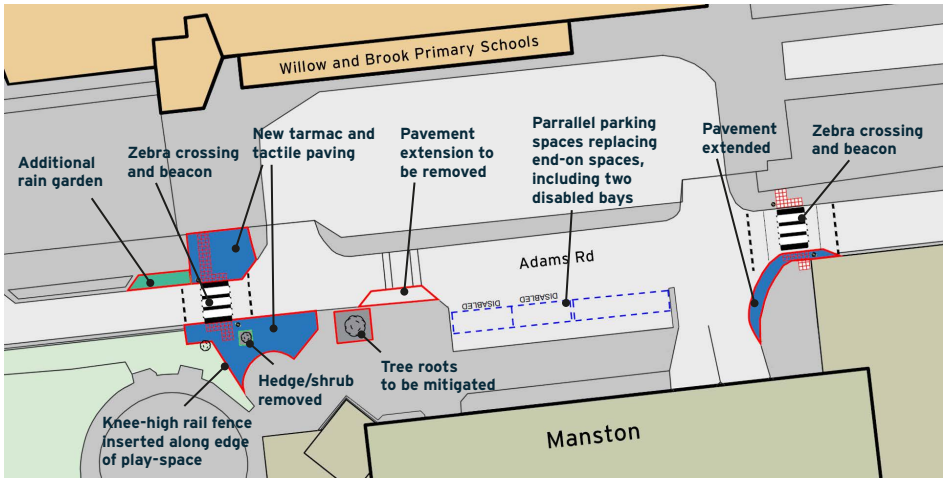

We're undertaking the work over the school holidays when the estate is less busy.

We're suspending some parking bays on Adams Road throughout the work to allow traffic to move safely. The road diversion posters on communal noticeboards give more information on this.

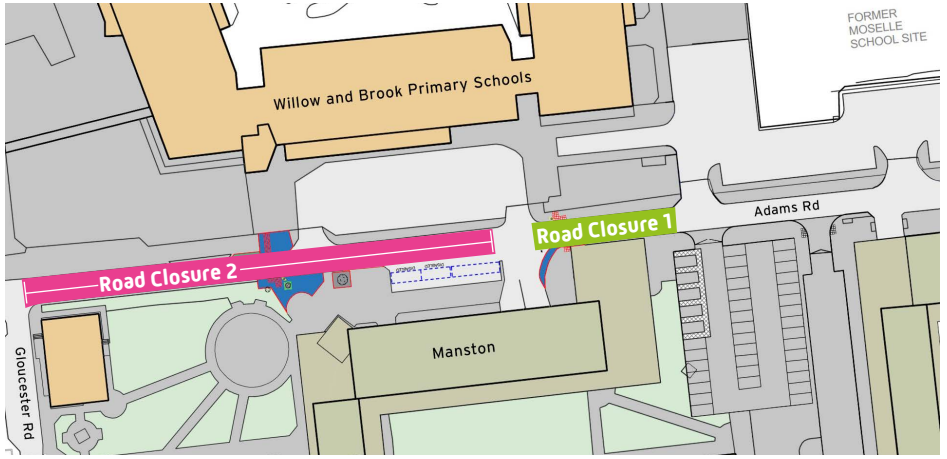

We're also recruiting a School Crossing Protection Officer to help ensure safe crossing of the road at the start and end of each school day.

The work will be completed before the schools return in September 2024.
