**Housing**

Delivery Director – Robbie Erbmann

Date: 11 September 2025

Our ref: Redlands/flytipping

Dear Resident,

**Incident at Haringey Council site close to the Redlands, Summerhill Road**

We want to update you on an incident that took place on **Tuesday 9 September** at Haringey's council home development site close to the Redlands on Summerhill Road. You will hopefully be aware that this location has been hoarded in preparation for the building of new council homes on the site.

- Unfortunately, a group of intruders broke into this secure site on Tuesday evening (9 September), forcing entry through the secure and locked front gate.
- The intruders vacated the site on Wednesday morning (10 September) and have left a considerable amount of fly-tipping.
- The council immediately attended the site on Wednesday 10 September, and has resecured the front entrance.
- The council are taking immediate steps to clear the area of the fly tipping and will be introducing additional security measures to help prevent further incidents. You will see our operatives, including contractors, working on the site from today to complete this work. The council does appreciate the patience of residents while this work is carried out.
- The council are also liaising with the police to identify the intruders. The council will continue to monitor the site going forward.
- If you have any further queries about this incident, please contact our team directly at engagement@haringey.gov.uk or at 020 8489 3485, calls are answered Mon, Wed, Thurs, Fri, 10am-4pm, [except during the holidays].

The council does want to apologise for any distress or inconvenience this may have caused and want to reassure you that we are actively dealing with the matter. Further updates on this matter, and the project in general will be posted online www.Redlands.commonplace.is.

Kind regards,

Judith Comrie
