14th April, 2022

Dear Sir/Madam,

Meet the Contractors Event – Stainby Road, Tottenham Green, N15 4EA.

NFC has been appointed by Haringey to build two new homes on Stainby Road. We are keen to ensure that residents are kept fully informed about the progress of the planned work intended on the site. Following our pre-start letter issued at the end of last year, we wanted to invite you to a "Meet the Contractor Event" to discuss the planned development and to meet our team and some members of Haringey Council. Details of the meeting are below:

Venue: Meeting Room 1, Marcus Garvey Library, Tottenham Green Pools and Fitness, 1 Philip Lane, N15 4JA

Date: Thursday 21st April 2022

Time: 4:30pm-7pm

The meeting intends to provide you with a better understanding of what to anticipate during construction, giving you the chance to raise any questions or queries.

Subject to contract unless otherwise stated.

The forthcoming development will be providing the Haringey area with two much-needed homes for council rent. The development will consist of two x 3-bedroom houses.

Haringey Council makes it clear to all its contractors that resident safety and wellbeing should be
at the heart of their work. We will ensure that all works are conducted to the highest possible standards and make every effort to minimize any disturbance to residents.

Timeline

As you will have noticed, some preliminary work has already begun on the site. In the coming months, more work will be undertaken to complete the new homes with an estimated completion date of Summer 2023. During our work on this project, we will attempt to keep any disruption to residents to a minimum: our working hours on the site will be Monday - Friday, 8am to 6pm and occasionally Saturday, 8am to 1pm, in line with the Council's working hours. We will keep you informed throughout the build, providing updates when we are approaching certain milestones.

Contact Information

Please see below the relevant contact details for members of the NFC Homes Team. Please do not hesitate to get in touch with us, about anything concerning the build.
