CONSIDERATE CONSTRUCTORS PARTNER

Safe Sammy visits Tottenham school

Mulalley mascot Safe Sammy visited children and staff at Holy Trinity C E Primary School in Tottenham recently.

The friendly Mulalley mascot gave out safety and activity packs, and spoke to children about the construction industry and the dangers of building sites as well as the safety precautions all operatives take to stay safe.

Lisa Miles, Assistant Head Teacher at Holy Trinity C E Primary School said: "The children were really engaged and were able to tell their teachers what is happening on the site next to their school. They also spoke about what Safe Sammy wears and why, connecting this to the safety of the people who work there and to the safety of the public. Thank you."
