Pooley Green Road

Pooley Green Recreation Ground

Thorpe Lea Road

Langton Way

Proposed 2 x blue badge holder bays

Kerbs at bus stop to be raised to improve bus stop accessibility. Real time passenger information screen to be installed.

Proposed public realm space with focal tree and improved walkway from public car park and proposed toucan crossing to parade of shops

Proposed Parallel crossing for pedestrians and cyclists

Proposed sheltered cycle storage area

Parking space retained

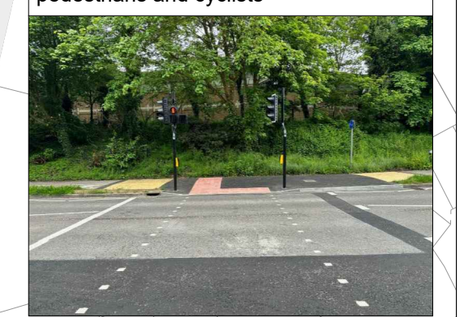

Kerbs at bus stop to be raised to improve bus stop accessibility. Real time passenger information screen to be installed.

Section of service road and parking laybys retained accomodating up to 6 vehicles. Entry to remain on Pooley Green Road with exit on Thorpe Lea Road.

Proposed kerbline realignment to accommodate improved shared use path for pedestrians and cyclists

Proposed segregated cycle track (both directions)

Proposed signalised Toucan crossing for pedestrians and cyclists

Proposed Parallel crossing for pedestrians and cyclists

Key:

- Carriageway
- Footway
- Existing grass verge
- Space for public realm improvements (e.g. planting, grass verge, sustainable drainage features, seating)
- Blue badge holder parking buffer area
- Cycle parking
- Double yellow lines - existing coverage to be maintained
- Cycle Track
- Tree
- Hedge / foilage
- Bench
- Steps
- Tactile paving (red)
- Tactile paving (buff)

Notes:

In this option it is proposed that this section of service road is retained. The short stay parking provision would remain.

Example of public realm improvements incorporating planting and sustainable drainage

It is proposed that the service road is re-allocated to provide an improved crossing across Pooley Green Road, cycle parking and public realm improvements which could include planting, sustainable drainage features, seating, or other appropriate measures. The short stay parking provision would be reduced to 2 blue badge holder bays.
