

Catalina Regional Park

Draft Master Plan Paths Cross-Section

*For Illustrative Purposes
Not to Scale*

Proposed Paved Path:

- Located along Lago Del Oro Parkway from Wilds Rd to near Meadow Crest Rd
- A multi-use trail, primarily within or next to the roadway easement
- Includes a protected vegetated buffer from the road
- Safe crossing to be provided at Golder Ranch Road

Horse Trail:

- Single natural surface trail identified with community input
- Trail maintained to mitigate fire concern
- Large buffer from paved path
- Habitat in infrequently used areas restored
