4 June 2026

Dear Resident,

Re: Two-week road closure on Willan Road: starts Monday 8 June

We are writing to let you know that Willan Road will be closed to all traffic (including the W4 bus and bin lorries) for two weeks, **from Monday 8 June until Monday 22 June.**

This road closure means:

- There will be no through access along Willan Road during this period
- Parking will not be permitted at any time while the road is closed

Clearly marked diversion routes will be in place around the estate throughout the road closure.

Bus stop closure
The bus stop on Willan Road will be closed during the works**.** Please use alternative bus stops on Mount Pleasant and Gloucester Road.

Bin Collections
Bin lorries will not be able to access Willan Road directly during the works. Your bin collections will continue as usual with collection teams continuing to collect waste from your dedicated bin areas.

Demolition works update
The full demolition of Northolt and Stapleford North is currently planned to start in late June/early July 2026. We'll share a confirmed start date for demolition with residents as soon as it is finalised.

We apologise for the inconvenience this temporary road closure may cause and thank you for your patience while these essential works are carried out.

Contact bwef@haringey.gov.uk if you have any question or scan the QR code to visit the Broadwater Farm Engagement Hub to learn more.

Yours sincerely

Scott Hughes
Senior project Manager
