Our ref: Parkland Walk – no step-free access

Dear Resident,

Temporary closure of Parkland Walk subway means no step-free access to/from Parkland Walk at Muswell Hill Road from Monday 16 March to Saturday 28 March

Haringey Council is nearing the completion of the 32 new council homes and 9 homes for private sale that it is building at 100 Woodside Avenue. Our contractor is Formation Design and Build Ltd. You can find out more about the project at: https://cranwood.commonplace.is or scanning this QR code.

As part of completing the new homes, the ramp section of the Parkland Walk that runs down from Muswell Hill Road to the subway will be temporarily closed from Monday 16 March to Saturday 28 March. This does that there will be **no step-free access to/from the Parkland Walk at Muswell Hill Road** for the duration of the reinstatement works.

This temporary closure is to enable Formation Design and Build Ltd to carry out the reinstatement works for this section of the Parkland Walk, as part of the landscaping works for the site. As soon as the reinstatement works are completed, this section of the Parkland Walk will be reopened.

We do apologise for any inconvenience caused and thank you for your understanding and cooperation during the reinstatement works.

Yours faithfully,

Barry Macleod-Cullinane
