Our ref: Tiverton Road Development

Dear Resident,

Important Update: Parking Suspension Enforcement and Site Hoarding Works

As you will hopefully be aware, Haringey Council is delivering **17 new council homes** on land in front of 2-240 Tiverton Road. These homes form part of the council's commitment to providing much-needed affordable housing for local residents.

We are writing to provide an important update regarding the parking suspension and planned site hoarding works associated with the development.

Parking Suspension Enforcement

Residents were previously notified that the parking bays and ground area fronting Tiverton Road would be suspended from **12 October 2026.**

While the parking suspension came into effect on that date, we would like to notify residents that from **Friday 13 November 2026, the suspension will be actively enforced.**

Any vehicle found parked within the suspended area from this date may be subject to a **Penalty Charge Notice (PCN)** and, where necessary, **may be removed.** Any costs incurred with recovery of the vehicle will be the responsibility of the vehicle owner.

We therefore ask all residents to ensure that vehicles are not parked within the suspended parking area from **Friday 13 November 2026** onwards.

Site Hoarding Installation

You may also recall receiving correspondence advising that the council's contractor, **Alexander James Contracts (AJC)**, would install construction hoarding around the development site from **2 November 2026.**

Unfortunately, due to unforeseen programme changes, these works did not commence as originally planned. We apologise for any inconvenience or confusion this may have caused.

The contractor is now scheduled to install the site hoarding from **Monday 16 November 2026.**

We appreciate residents' patience and understanding while these preparatory works are undertaken.

Green Lanes B Controlled Parking Zone Permit Refunds

Residents who hold a valid estate parking permit for the Tiverton Road estate remain eligible for a refund of the cost of purchasing a **Green Lanes B Controlled Parking Zone (CPZ) parking permit.**

To obtain your Green Lanes B CPZ parking permit, please apply through Haringey Council's website. The address for the website is: https://www.haringey.gov.uk/parking/parking-permits/residents/CPZ/apply.

Once you have obtained your permit, please email engagement@haringey.gov.uk with the following information:

- Your name and address
- Contact telephone number and email address
- Proof of your existing estate parking permit
- Proof of your Green Lanes B CPZ parking permit, including evidence of the cost paid
- A redacted bank statement showing your account number, sort code and address

The Housing Delivery Team will reimburse eligible residents for the cost of the Green Lanes B CPZ permit following verification of the above information.
