FILMING NOTIFICATION LETTER

BROADWATER FARM ESTATE – MONDAY 27th OCTOBER

Dear Resident / Businesses,

Haringey Film Office have asked us to write to you about our provisional filming plans. Feedback from residents and businesses is essential for us to be able to film in your neighbourhood with as little inconvenience to you as possible, so please get in touch if you have any queries or concerns.

Detroit Street Productions Ltd will be coming to Broadwater Farm Estate to film scenes for an upcoming feature film. The film follows the story of a former agent of a secretive organization who embarks on a ruthless mission of revenge, using his formidable skills to confront those who wronged him. We are planning to film a number of scenes outside on **Willan Road**, **Rochford Car Park** and **the Playground outside Rochford.** As well as a few scenes in a vacant flat in **Stapleford North**.

This filming proposal is currently being considered by Haringey Film Office – if you would like to know more about how the Film Office works and about how filming in the borough might affect you, please go to www.haringeyfilmoffice.co.uk or contact them using the details below.

Proposed Schedule:

Preparation:	07:00 – 19:00 Friday 24th, Saturday 25th & Sunday 26th October
Filming:	05:00 – 21:00 Monday 27th October *(Filming hours 07:00-17:00)*
Reinstatement:	07:00 – 19:00 Tuesday 28th October

Action & Filming Detail

The scenes that we propose to film at Broadwater Farm are of various arrival and departure scenes from one of our character's homes, both on the road, in the car park and at 63 Stapleford North.

Our film is set in the USA, and so we are requesting clearance for dressing vehicles as well as the changing of road signs within the hours of our road closure.

Some of our cast will be carrying replica weapons as part of their costume for our filming day. We are speaking to the MET Police to seek permissions for this and will likely have an officer with us on the day.

Road Closure / Buses

To facilitate the safe filming on Willan Road we have been given permission by the council to put in place a road closure on Willan Road between 06:00 – 18:00 (Please see map overleaf). During this time, **access for residents will be maintained at all times**. However, we kindly ask for your patience, as there may be brief holds of a few minutes while filming is in progress.

Additionally, we have been speaking to TfL to **close and divert the Bus Stop** on Willan Road for the same hours as our road closure 06:00-18:00. The bus will still be running on **Mount Pleasant Road & Gloucester Road**, so please do use either of these two stops to catch the W4 bus during the hours of 06:00-18:00 on Monday 27th October.

Parking

To facilitate our filming activities, we will need to temporarily clear some vehicles from Willan Road and the surrounding residential car parks. We would propose to clear some parking on Willan Road for our Prep and Reinstatement periods. Our technical vehicles for the filming will be parked in private parking within the Estate.

We would like to clear spaces in Rochford and Stapleford Car Parks as well as Willan Road from Sunday 26th to dress in our American dressing vehicles.

We are in contact with the council to request that residents move their cars from Sunday 26th until 20:00 on Monday 27th for this dressing to take place and all UK vehicles to be clear of frame.

20th October 2025

Lighting

In order to light some of our scenes within Stapleford North we would like to bring in a machine called a genie boom with a light fixed to it, enabling us to light the stairwell of no. 63 Stapleford North. This will be positioned on the pavement on the balcony side of Stapleford North.

Reassurances

We are working closely with both Haringey Film Office and the Housing Team to ensure that our impact is as minimal as possible. We are keen to work closely with residents and businesses to make this as smooth an experience as possible. We are happy to tell you that money from the filming will be used to help young people on the estate. This includes:

· Youth programmes
· Activities
· Improvements to shared spaces

These changes will support the wellbeing and development of young residents. We would like to take this opportunity to thank you in advance for your patience and cooperation with our production. We appreciate that it is a privilege to film in London and do not take this for granted.

Thank you for your understanding and support.
