A4174 RING ROAD PROPOSED IMPROVEMENTS

M32 J1 TO COLDHARBOUR LANE

These proposals include:

1. Additional left turn lane to Coldharbour Lane.
2. A new parallel crossing at the Filton Road junction with Coldharbour Lane.
3. Widening of existing shared use path to the south of the carriageway to 2-way cycleway and separate footway.
4. A new signalised parallel crossing at the rear entrance of Holiday Inn Bristol – Filton Hotel.
5. A speed limit reduction from 50mph to 40mph for westbound traffic, to make it safer and facilitate increased walking and cycling. The 40mph speed limit for westbound traffic extends to the Abbey Wood roundabout.
6. Retaining the shared use path underneath the M32.
7. Widening a short section of shared use path near M32 Junction 1.

Cross-section of westbound carriageway next to a protected cycleway & footway. Eastbound carriageway will remain as existing.

KEY

- Existing shared use path
- Proposed shared use path
- 2-way cycle track with separate footway
- Junction Improvement
- Existing crossing
- New or improved crossing
