Timeline and Next Steps

Thank you

We appreciate you taking the time to learn about the proposed relocation of the depot. We hope you found the exhibition useful and informative.

We'd Love Your Feedback

There are several ways to give us your feedback:

- Fill out a feedback form at this exhibition and leaving it with a member of the team.
- Scan the QR code at the exhibition to fill out a feedback form online
- Submit your feedback by visiting the consultation website.
- Write to us at wastedepot@westminster.gov.uk

Next Steps

- Following this consultation, Westminster City Council and the Design Team will carefully review all comments, ideas, and suggestions received from the community.
- Your input will help shape the next stage of the project and the future of local services as we develop more detailed designs for the proposed depot.
- A full planning application is expected to be submitted in Spring 2025.
- Subject to approval, work on site could begin before the end of the year.
