Statement of Reasons

Proposed speed limit reduction in Walton-On-Thames Town Centre

The proposed speed limit adjustment on the roads in Walton-on-Thames town centre is to encourage slower vehicle speeds and reduce the severity of any collisions by lowering the speed limit from 30mph to 20mph. The scheme has been promoted by the locally elected members and complies with Surrey County Council's Setting local speed limits policy.

The proposed roads for this speed limit reduction are: -

- D3809 High Street
- A244 High Street
- A244 Ashley Road
- A244 New Zealand Avenue
- D3809 Churchfield Road
