Welcome and Introduction

About this Consultation

Westminster City Council is proposing to relocate its street cleansing depot from Lisson Grove to 61 Harewood Avenue. This move is part of our ongoing commitment to improving public services, supporting sustainability, and ensuring our operations are fit for the future.

Purpose of the Consultation

We are seeking your views on the proposed plans for the new depot. This consultation is an opportunity for the local community to learn more about the project, ask questions, and share feedback.

How to Get Involved

- Explore the exhibition boards to understand the proposal.
- Read the Frequency Asked Questions (FAQs).
- Speak with the project team at the consultation event.
- Submit your feedback by visiting the consultation website.
