WATER EFFICIENCY
ZERO-EMISSION VEHICLES

Project Coordination Across Phases (Tasks 1)

Community Engagement and Stakeholder Involvement Across Phases (Task 2)

Legend

- Project milestones  Ongoing activities 
- Phase 1  Phase 3 
- Phase 2  Phase 4 

Project Vision and Goals

- What outcomes matter most to Nantucket through this Climate & Sustainability Plan? How should we define success?
- What would make the final CSP actionable, useful, and implementable for the Town?
- What community context, lessons learned, or past efforts should inform our approach?

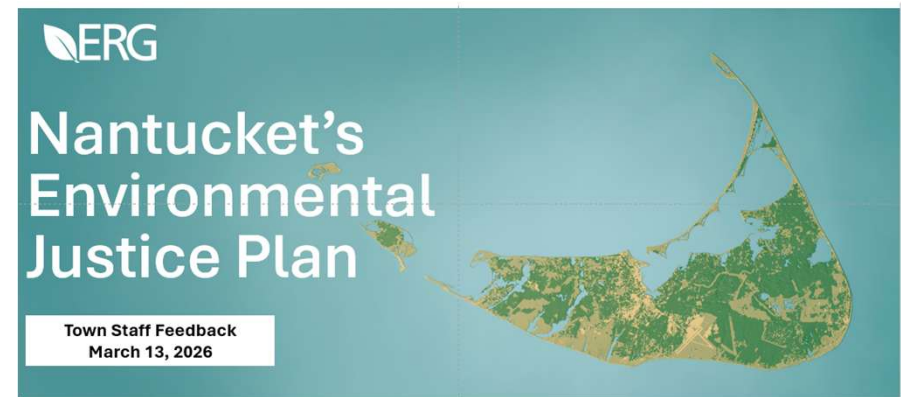

Project Management (Across All Tasks)

Immediate Next Steps

- Schedule recurring meetings (timing, format, and attendance)
- Set up file-sharing (Sharepoint)
- Confirm preferred contacts for communications

Topics to Revisit Together:

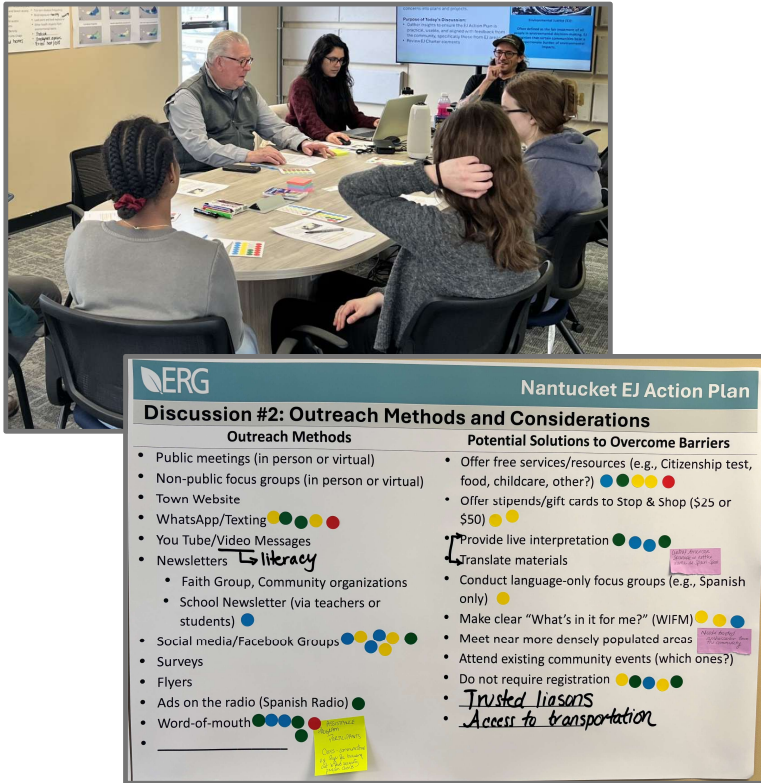

- Project case study content (Phase 3)

Cover Slide from an ERG Presentation to the Town of Nantucket Staff

Public Involvement and Community Engagement (Across All Tasks)

ERG Led Focus Group and Example of a Poster Used to Guide Discussion, April 2026

Immediate Next Steps

- September site visit and outreach event
- Develop engagement plan (October 2026)
- Town staff workshop (end Sept/early Oct)

Topics to Revisit Together:

- Existing outreach and community input
- Priority stakeholder groups and alignment with EJ Action Plan

Phase 2: Research & Assess

Immediate Next Steps

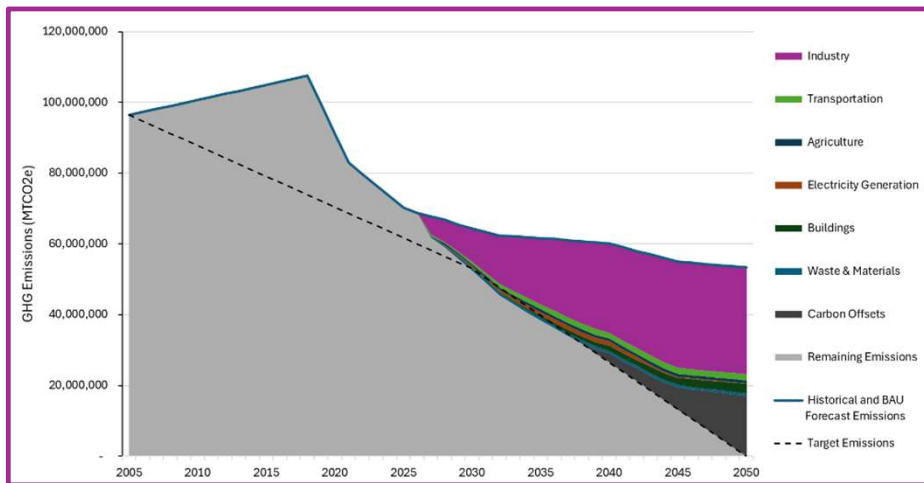

- Identify town staff liaison(s) for upcoming data requests
- Request documents/materials needed from the Town
- Launch data collection

Topics to Revisit Together

- Inventory methodology and platform
- Climate risk assessment focus and priorities

Phase 3: Recommend & Refine

Immediate Next Steps

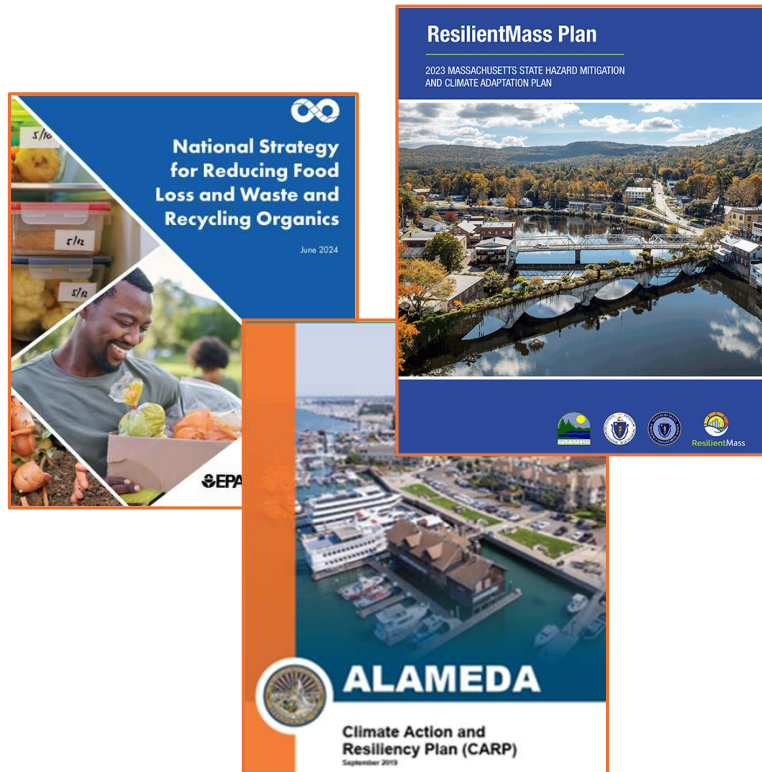

- Ensure that the engagement plan describes Phase 3 stakeholder input needs.

Topics to Revisit Together

- Preferred format for toolkits and the decarbonization roadmap
- Sustainability goals and implementation priorities
- Economic and workforce considerations
- Level of detail for climate resilience strategies

Phase 4: Finalize & Present

*Examples of Past Plans and Strategies
Developed by ERG*

Immediate Next Steps

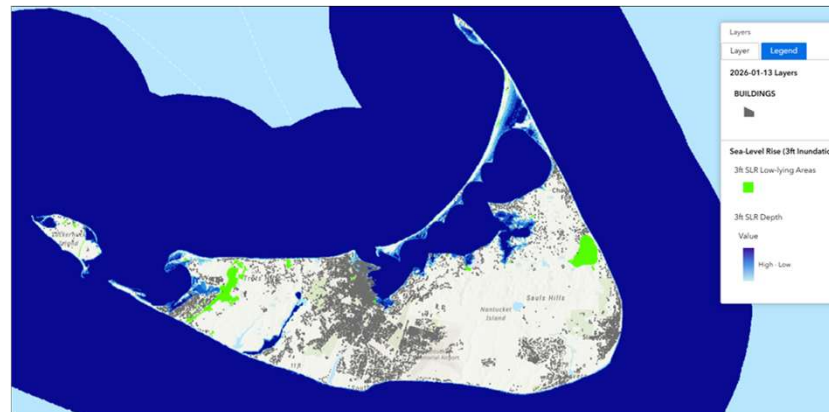

- Develop preliminary draft outline

Topics to Revisit Together

- Report format and structure
- Review process for draft deliverables

Summary of Next Steps

- Administration and Communications
 - Recurring meetings
 - File sharing
- Engagement and Outreach
 - Nantucket Island Fair (Sept. 12 – 13)
 - Engagement Plan (Oct.)
 - Town Staff Workshop
- Research and Data Collection
 - Staff liaison(s)
 - Request for information and resources
- Preliminary Final Report Outline

Thank you!
