**PROJECT UPDATE**  
**Watermain Relining**

Date: September 17<sup>th</sup>, 2024

To: Property Owner, and/or Tenant

The watermain relining project is currently in progress. The initial phase, which involved the excavation of seven trench pits secured by trench boxes and fencing for watermain access, has been completed.

The next phase—relining the watermain—is set to begin on October 17<sup>th</sup> and is expected to be completed by October 23<sup>rd</sup>. Further updates regarding this phase will be shared as the date approaches.

Please note that the trench pits will remain in place for the duration of the project.

We apologize for any inconvenience this may cause. If you have any questions, feel free to contact the Public Works Department at 613-584-2000, ext. 127.

Sincerely,

Dave McCarthy  
Operations Director  
613-584-2000 ext. 112
