Dear Resident

New council housing development on land adjacent to 318A White Hart Lane: Meet the Contractor Event

As you are hopefully aware, Haringey Council has received planning permission to build six new homes at a site adjacent to 318A White Hart Lane. This is part of Haringey Council's ambitious programme aimed at delivering a new generation of council homes for local residents, with as many as possible built on land the borough owns. Cosmur has been contracted by Haringey to build the new homes. We are keen to ensure that residents are kept fully informed about the progress of the planned work intended on the site. As part of this approach, we wanted to invite you to a "Meet the Contractor Event" to discuss the planned development and to meet our team. Details of the event are:

Venue: Selby Centre, Selby Road, Tottenham, London, N17 8JL – Room 2

Date: 23 March 2022

Time: 5.30pm - 7.00pm

As you will have noticed, some preliminary work has already begun on the site. In the coming months, more work will be undertaken to complete the new homes with an estimated completion date of October 2022. Haringey Council have made it clear to Cosmur that they expect all works to be carried out with care and consideration to residents. During our work on this project, we will attempt to keep any disruption to residents to a minimum: our working hours on the site will be **Monday - Friday, 8am to 6pm and occasional Saturdays, 8am to 1pm.**

If you have any further questions about the event or any other concerns, please contact me on 07377 246 556 or JWood@cosmur.co.uk

Yours Sincerely
