10. Facilities
Amenities to support the Working Environment

Courtyard & Welcome space
To maximise the use of spaces offered by the existing building, the previously external undercroft below the committee rooms will become a internal welcome area with views to the woodland area & courtyard, to receive visitors & to provide extra breakout for staff & flexibility for special events.

The courtyard provides additional amenity & breakout space for staff with trees for shading & planted areas, while also offering flexibility for meetings & events.

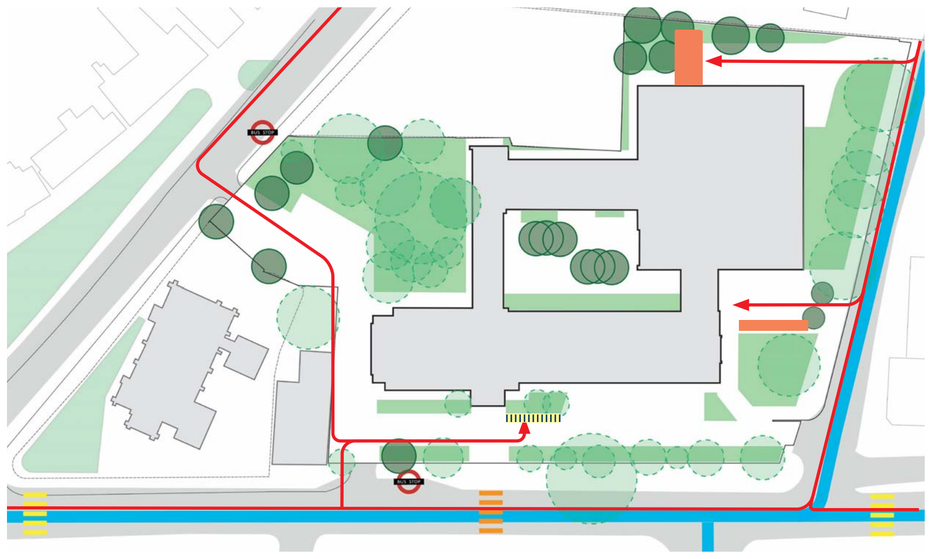

Cycle Provision
The current proposal ensures sufficient cycle storage provision & flexibility through two separate secure locations for staff. One is located at the end of the Civic Centre North wing on Trinity Road & one within a bespoke secure enclosure located within the service yard.

For visitors & shorter term cycle parking, Sheffield stands are located adjacent to the front entrance.

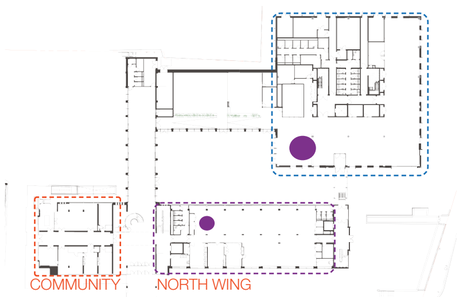

Key:
- Potential Cycle Network HC
- Proposed Cycle Routes Scheme
- Enclosed Cycle Storage Hub
- Sheffield Stands

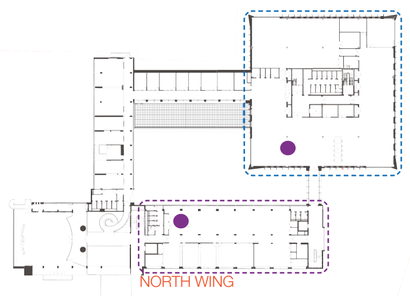

Tea Points
To ensure all staff can easily access a tea point, the proposal allows one per floor in both the Civic Centre & Trinity Building, with a larger provision on the ground floor of the Trinity Building:
- Zip tap & Sink
- Dishwasher
- Storage for coffee milk, sugar cutlery & crockery
- Waste & recycling
- Fridge
- Microwaves on Ground Floor of the Trinity Building with enhanced extraction

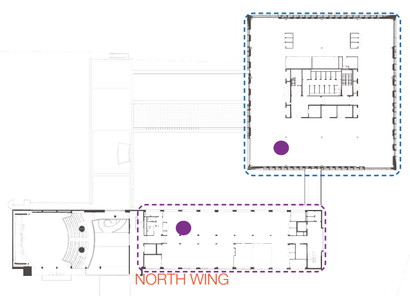

Key:
- Teapoint
- Kitchenette

1st Floor

2nd Floor

3rd Floor

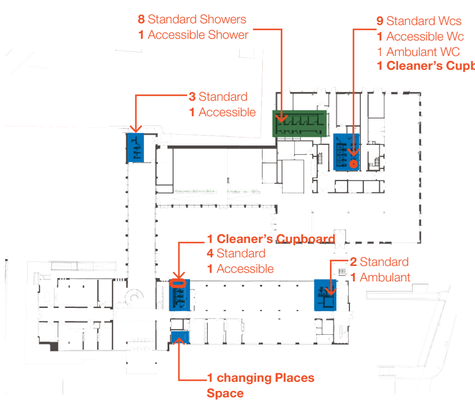

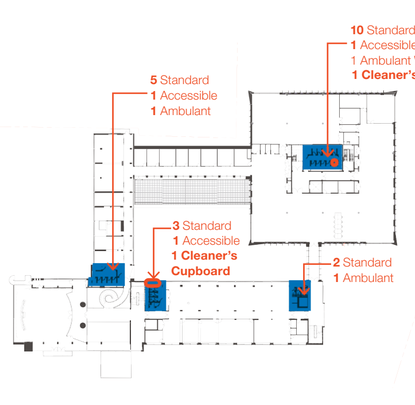

WCs, Showers & Changing
Unisex self-contained showers with drying room & lockers in the changing area, as well as a mix of gendered & non-gendered toilets are included within the current proposal with signange to be provided as per latest government directive towards faith inclusivity.

In addition, there is at least one toilet block per floor per building each with:
- Standard toilets
- Ambulant toilet
- Accessible toilet
- Changing Places at Ground Floor

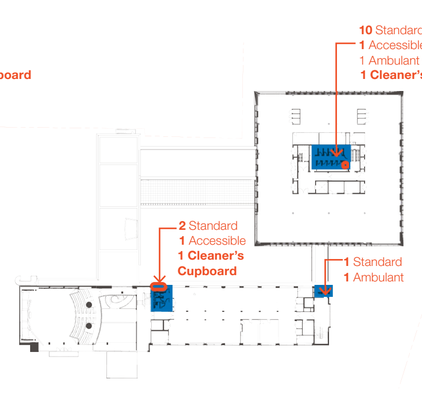

Key:
- Toilet location
- Shower location
- Cleaners Cupboard
