**Iveson Crescent**

At this site, we are planning to plant approximately 13 standard trees (larger trees, approximately 6 to 8 ft tall), the locations of which are shown in the above maps, where yellow points represent standards. Standard tree planting will occur over the next couple of years.

**Woodhouse Moor Park**

At this site, we are planning to plant approximately 890 whips (small saplings), the locations of which are shown in the above map, where blue shapes represent whip planting which will take place this winter from November to February.

**Monument Moor**

At this site, we are planning to plant approximately 10 standard trees (larger trees, approximately 6 to 8 ft tall), the locations of which are shown in the above maps, where yellow points represent standards. Standard tree planting will occur over the next couple of years.

**West Park Fields**

At this site, we are planning to plant approximately 8 standard trees (larger trees, approximately 6 to 8 ft tall), the locations of which are shown in the above maps, where yellow points represent standards. Standard tree planting will occur over the next couple of years.
