The Elder tree opposite the site entrance at Braemar road will need to be trimmed back for the proposed crane works.

The Project Arboriculturist visited the site to advise the works required to allow the crane operations to take place, please see below.

The Project Tree Surgeon will carry out these works week commencing 18-08-2025.

The Elder Tree to the rear garden of 1-33 Lomond Close will need to be cut back to the Property Boundary.

The tree is expected to regain its current density within three growing seasons. Visible restoration should occur after two seasons, typically between 18 months and 2.5years.

If you have any questions or concerns regarding these works , please do not hesitate to get in touch via the contact details above.
