St Benedicts GAA Pitches

Please note that this site is part of the complementary planting from the Armley Gyratory Highways Scheme. At this site, we are planning to plant approximately 22 standard trees (larger trees, approximately 6 to 8 ft tall), the locations of which are shown in the above maps, where yellow points represent standards. Standard tree planting will occur over the next couple of years.

Bell Hill

At this site, we are planning to plant approximately 8,066 whips (small saplings), the locations of which are shown in the above map, where blue shapes represent whip planting which will take place this winter from November to February.

Acre Road

At this site, we are planning to plant approximately 8 standard trees (larger trees, approximately 6 to 8 ft tall), the locations of which are shown in the above maps, where yellow points represent standards. Standard tree planting will occur over the next couple of years.

Elland Road/Beeston Ring Road

At this site, we are planning to plant approximately 334 whips (small saplings), the locations of which are shown in the above map, where blue shapes represent whip planting which will take place this winter from November to February.
