Go'aankani wuxuu daba socday wadatashi aan rasmi ahayn oo ku saabsan soo jeedinta, kaasoo dhacay 6 Noofambar 2024 ilaa 18 Diseembar 2024.

Xidhiidhka u dhexeeya nambarada ardayda iyo maalgelinta dugsiga waxay la macno tahay in aanay mar walba suurtogal ahayn in dugsigu sii shaqeeyo si loo dammaanad qaado heerka waxbarasho ee qoysaska iyo ardaydu u qalmaan. Haddii la qaato go'aanka lagu xirayo Dugsiga Hoose ee Tiverton, dhammaan carruurta dhigata dugsiga waxaa lagu taageeri doonaa inay boos ka helaan dugsiyo kale oo waafaqsan dookhyada waalidka iyo/ama helitaanka boosaska aagga laga bilaabo Sebtembar 2025.

Hirgelinta:

Taariikhda dhaqangelinta qorshaysan ee xidhitaanka Dugsiga Hoose ee Tiverton waa 31ka Agoosto 2025.

SABABTA XIDHITAANKA:

Qodobbada ugu muhiimsan ee keenaya soo jeedinta xiritaanka ayaa ah tirada ardayda oo hooseysa iyo hoos u dhac ku yimaada awoodda dhaqaale ee dugsiga iyo natiijada ka dhalan karta si loo joogteeyo waxbarashada tayada sare leh ee ardayda. Nambarada ardayda dhigata Dugsiga Hoose ee Tiverton ayaa si joogto ah hoos u dhacay sannadihii la soo dhaafay. Maadaama miisaaniyada dugsigu ay ku salaysan tahay tirada ardayda dugsigu ku jiro, waxaa jiray cadaadis dhaqaale oo sii kordhaya oo ku wajahan dhaqaalaha dugsiga, kaas oo la filayo inuu ka sii daro haddii Dugsiga Hoose ee Tiverton uu ahaado mid furan. Dhamaadka sannad-maaliyadeedka 2024/2025, dugsiga waxaa la saadaalinayaa in uu leeyahay khasaare dhan £704k, oo kor ugu kacaya in ka badan £1.3m dhammaadka sannad-maaliyadeedka 2025/2026.

Waxaan kala tashanay fursadaha mustaqbalka ee Tiverton Primary School, si kastaba ha ahaatee, hoos u dhaca sii socda ee tirada ardayda awgeed, ma jiro qorshe gaaban ama mid dhexdhexaad ah oo lagu soo kabsado dhimista loo arko mid la gaari karo. Intaa waxaa dheer, nambarada ardayda hooseeya waxay sidoo kale saameyn ku yeeshaan waayo-aragnimada dugsiga ee ardayda, maadaama ay jiraan fursado yar oo loogu talagalay waxqabadyada kobcinta iyo shaqaale yar si ay u bixiyaan manhaj tayo leh, oo ardaydu u qalmaan.

Koonsilku waxa uu leeyahay waajibaad xanaano si loo hubiyo in ubadka dugsiyadoodu ay awoodaan in ay helaan waxbarasho wanaagsan iyo in ay helaan manhaj buuxa. Dugsi leh liis hoos u dhac ayaa lagu xujeynayaa inuu tan si wax ku ool ah u sameeyo sababtoo ah cadaadiska maaliyadeed ee lama huraanka ah ee ka imanaya maalgelinta la dhimay. Xidhiidhka u dhexeeya nambarada ardayda iyo maalgelinta dugsiga waxay la macno tahay in aanay mar walba suurtogal ahayn in dugsigu sii shaqeeyo si loo dammaanad qaado heerka waxbarasho ee qoysaska iyo ardaydu u qalmaan. Furanaanshaha Dugsiga Hoose ee Tiverton waxay u badan tahay inay dhaawacdo waxbarashada ardayda ku jirta liiska oo ay kordhiso muddada hubaal la'aanta

mustaqbalka dugsiga. Natiijo ahaan, xidhitaanka dugsigu waa ikhtiyaarka ugu fiican ee looga fogaado wax kasta oo waxyeello u leh waxbarashada carruurta.

LAMBARKA ARDAYDA IYO OGOLAANSHAHA

Inkastoo dadaalo badan oo uu dugsigu sameeyay si uu u soo jiito qoysas badan, Dugsiga Hoose ee Tiverton ma uusan arag wax horumar ah oo ku saabsan tirada qoysaska codsanaya dugsiga. Laga soo bilaabo Oktoobar 2019 ilaa Oktoobar 2024, tirada guud ee ardayda dhigata dugsiga ayaa hoos u dhacday ku dhawaad nus, taasoo hoos uga dhacday 310 ilaa 152 (eeg sawirka 1 hoose).

Marka la gaaro Janaayo 2025, xogta dib u celinta dugsiga waxay muujineysaa in tirada ardayda hadda dhigata dugsiga ay hoos ugu dhacday 122 arday (Soo dhaweyn ilaa Year 6). Hoos-u-dhacan joogtada ah ee tirada ardayda waxa ay sababtay khasaare weyn oo ah maalgelinta muhiimka ah sannadba sannadka ka dambeeya. Sannad dugsiyeedka 2024/25, meel kasta oo dheeraad ah oo uu qaado dugsiga hoose dhexe, waxaa jira khasaare celcelis ahaan £4,025 AWPU (Cutubka Ardayga ee Da'da) maalgelinta arday kasta.

Iyada oo nambarka isdiiwaangelinta hadda uu aad uga hooseeyo tirada la filayo in lagu galo dugsi hoose oo hal foom ah, kaas oo awood u leh 210 arday laga bilaabo Soo dhawaynta ilaa Sannadka 6, dugsiga looma tixgeliyo mid dhaqaale ahaan lagu sii wadi karo inuu sii shaqeeyo. Jaantuska 1 ee hoose waxa uu muujinayaa wadarta guud ee ardayda iska diiwaan galisay dugsiga intii u dhaxaysay Oktoobar 2019 iyo Oktoobar 2024, halka sawirka 2 uu muujinayo tirada ardayda dhigata sanad walba koox ahaan marka la eego tirakoobka Oktoobar 2024.

ARDAY BARAKACAY

Laga bilaabo Oktoobar 2024 tirakoobka, waxaa jiray 152 arday oo ku jiray liiska soo dhaweynta ilaa sanadka 6. Tan iyo bilawgii nidaamka 1-aad ee wadatashiga aan rasmiga ahayn ee Noofambar 2024, qoysaska qaar ayaa sameeyay codsiyo sannad gudihii ah si ay carruurtooda ugu wareejiyaan dugsiyo kale. Laga bilaabo Janaayo 2025, xogta soo celinta diiwaanka dugsiga waxay muujineysaa 122 arday oo ku jira Reception ilaa Year 6 inay ku hadheen dugsiga. Maadaama xiritaanka dugsiga uusan saameyn ku yeelan doonin carruurta ku jirta fasalka 6-aad maadaama ay u gudbayaan dugsiga sare Sebtembar 2025, ugu badnaan, 93 arday ayaa la filayaa inuu saameeyo go'aanka lagu xirayo dugsiga Agoosto 2025.

Hadda ma jiraan carruur xanaano ah oo dhigta dugsiga. Waxaa jira xanaano beddel ah oo ku filan agagaarka deegaanka oo leh 11 dugsi hoose ee Haringey oo 1 mayl u jira Dugsiga Hoose ee Tiverton oo ka shaqeeya xannaano. Waxa kale oo jira dugsi xanaaneedka Haringey (Dugsiga xanaanada carruurta ee Woodlands Park iyo Xarunta Carruurta) oo u jirta 0.6 mayl dugsiga.

Jaantuska 4 ee hoose ayaa muujinaya tirada boosaska laga heli karo dugsiyada Haringey oo 1 mayl u jira Dugsiga Hoose ee Tiverton laga bilaabo Disembar 2024. In kasta oo laga yaabo in tirooyinkani ay kala duwanaayeen dhaqdhaqaaqa ardayda awgeed, haddana waxaa jira in ka badan boosas bannaan oo ku filan dhammaan kooxaha sannadka oo dhan 14 ka Haringey oo 1 mayl u jira dugsiga. Tani waxay caddayn u tahay in ay jirto awood firaaqo ah oo ku filan dugsiyada maxalliga ah si ay u dejiyaan carruurta ay u badan tahay in la barokacay haddii go'aanka lagu xirayo Dugsiga Hoose ee Tiverton la fuliyo.

SAAMEYNTA BULSHADA

Caddaynta ku jirta Jaantuska 4-aad ee kore waxay muujinaysaa in marka la eego helitaanka boosaska firaaqada ah ee dugsiyada deegaanka, saamaynta bulshada ee xidhitaanka Dugsiga Hoose ee Tiverton ay noqon doonto mid xadidan. Dhammaan dugsiyada aagga deegaanka waxa ay Ofsted ku qiimeysay inay yihiin 'Wanaagsan' ama 'Fiican'. Waxaan ku dadaali doonaa inaan buuxino dookhyada waalidka ee boosaska dugsiga, meel kasta oo ay suurtagal tahay.

Intaa waxaa dheer, xidhitaanka Dugsiga Hoose ee Tiverton waxay yaraynaysaa tirada boosaska dugsiga hoose ee Aagga Qorshaynta (3) iyo guud ahaan degmada. Koonsilku waxa uu u arkaa in ogolaanshaha boosaska dheeraadka ah ay ka sarreeyaan 10% iyada oo loo marayo waxqabad la'aan ay si toos ah iyo si xunba u saamaynayso dhaqaalaha dugsiga kale ee Haringey, taas oo iyana saamayn ku yeelan doonta tayada iyo ballaadhka waxbarashada laga bixiyo dugsiyadan.

Dugsigu wuxuu siiya isticmaalka tas-hiilaadkiisa portacabin hay'ad samafal oo maxalli ah oo ka shaqeysa bangiga cuntada iyo barnaamijka cadetka goobta, si kastaba ha ahaatee, tas-hiilaadka ku

haboon ayaa laga heli karaa meelaha kale ee u dhow. Koonsilku waxa uu awoodaa in uu ku taageero ururka samafalka si ay u helaan meel kale oo ku haboon ama ay ka sii shaqeeyaan goobta hadii go'aanka xidhitaanka dugsiga la fuliyo. Ma lumin doono naadiyada kobcinta ama barnaamijyada qoysaska deegaanka ee bulshada dhexdeeda.

Iyadoo si wada jir ah loola shaqeynayo dugsiyada kale ee degmada, waxaa la qaadayaa tillaabooyin lagu fududeynayo dib-u-dejinta (meesha ay suurtagal tahay iyo marka ku habboon) shaqaalaha laga yaabo in lagu barokicidda xiritaanka dugsiyada kale ee Haringey halkaas oo ay ka bannaan yihiin shaqaaluhu. Meeshii dib-u-dejintu aanay suurtogal ahayn, taageerada shakhsi ahaaneed ee ku habboon ayaa la bixin doonaa si loo xaddido saamaynta xidhitaanku ku yeelanayo shaqaalaha ay saamaysay. Intaa waxaa dheer, Ururada Shaqaalaha iyo ururada xirfadlayaasha ah ee ay khusayso waxaa lagala tashan doonaa iyada oo xiriir joogto ah lala yeelanayo iyaga inta lagu jiro nidaamka xiritaanka, haddii la isku raaco xiritaanka.

Miisaanka QIIMAYNTA DENOMINATIONAL

Dugsigu ma laha heer diineed. Xiritaanka la soo jeediyay ma saameyn doonto tirada dugsiyada hoose ee Haringey ee leh heerka diineed. Waxaa sii jiri doona 4 dugsi oo leh maqaam diimeed gudaha Aagga Qorshaynta 3 (PA3) halkaas oo Dugsiga Hoose ee Tiverton ku yaal (1 Church of England iyo 3 Roman Catholic). Tirada dugsiyada hoose/dhexe ee aan dariiqada ahayn waxa lagu dhimi doonaa 1.

SAFARKII

Khariidadda iyo falanqaynta xogta carruurta ee summada boostada ee Tiverton Primary School waxay muujinaysaa in qoysaska ugu badan ay deggan yihiin aagga maxalliga ah oo ay tiro yar ku nool yihiin meel ka baxsan Haringey ee degmooyinka deriska ah sida Hackney. Laga bilaabo usbuuca ka bilaabmaya 27 Janaayo 2025, waxaa jiray 122 carruur ah oo ku qornaa Tiverton Primary in Reception to Year 6 (xogta soo celinta diiwaanka ee uu dugsigu soo gudbiyay). Tiverton waa dugsiga Haringey ugu dhow 42% (51 carruur ah). Si kastaba ha ahaatee, kaliya 105 ka mid ah carruurtan ayaa deggan Haringey. 17-ka carruur ah ee soo haray waxay ku nool yihiin xaafadaha deriska la ah, waxaana loo qoondeyn doonaa meelo ka mid ah xaafadaha gurigooda, oo laga yaabo inay juqraafi ahaan u dhow yihiin gurigooda. Qoysaskani waxay aad ugu dhowdahay inay lahaadaan dhawr dugsi oo kale oo u jira masaafada sharciga ah ee guryahooda (sida laba mayl carruurta ka yar siddeedda sano, saddex mayl ee ardayda da'doodu tahay 8-16).
Dugsiga hoose ee Tiverton waa dugsiga ugu dhow saddex meelood meel ardayda hadda ku jirta liiska (42 carruur ah). Iyagoo eegaya kaliya dadka degan Haringey (aqbala in dadka aan Haringey deganayn lagu meelayn doono dugsiyada xaafadaha gurigooda):

- Celceliska masaafada safarka ee hadda Tiverton waa 0.3731 mayl.
- 59% waxay ku nool yihiin meel u dhow dugsi kale oo Haringey ah.
- Haddii dhammaan boosas laga siin lahaa dugsiga kale ee Haringey ee ugu dhow, celceliska masaafada safarka ee kooxdan ardayda ahi waxay noqonaysaa 0.2006 mayl oo keliya.
- Haddii dhammaan boosas laga siin lahaa dugsiga kale ee Haringey ee ugu dhow *oo leh boos bannaan maanta*, celceliska masaafada safarka ee kooxdan ardayda ahi waxay noqon doontaa 0.2142 mayl.

Tani waxay ka dhigan tahay in marka la eego masaafada safarka, dadka degan Haringey ee hadda dhigta Tiverton Primary ayaa xoogaa faa'iido u yeelan doona safarkooda maalinlaha ah ee dugsiga sababtoo ah tani waxay celcelis ahaan ka gaaban doontaa in ka badan 0.15 mayl. Sidaa darteed,

soo jeedinta xiritaanka dugsiga uma badna in ay keento koror isticmaalka baabuurta ama safarka dheer ee ardayda barokacayaasha ah sababtoo ah celcelis ahaan waxay u safri doonaan masaafo gaaban haddii la siin lahaa dugsiga kale ee Haringey ee ugu dhow oo boos bannaan ah.
