Adult Social Care CQC Report February 2025

- Carers Feedback
- Assessment and review delays
- Accessibility
- Improvement Plans
- Support for Carers
- Equity and Inclusion
- Partnerships
- Safeguarding

We have identified key themes based on the initial consultation work conducted in the East, West and Central Localities of Haringey, which began in September/October 2023.

This foundational work was further enriched by feedback from our carers. Their insights and contributions have been instrumental in reviewing the Themes and associated priorities for our new Carers Strategy, ensuring it reflects the needs of our diverse carer communities.

Key Themes and Objectives

Getting the Basics Right

- **Improved Accessibility, Assessments and Review**
- **Carer Resilience and Emergency Planning**
