

Little Rangers

City of Lock Haven
Summer Passport Program
2023

● Lock Haven Parks ●

-Explore!-

The City of Lock Haven has a fantastic parks and recreation program. Each park has its own unique personality, just like you!

Use your Little Ranger Passport to discover all the parks and other locations in our awesome city. Try to complete one activity at each location. When you complete an activity, add the sticker to that location's page in your Little Ranger Passport.

Collect at least **10** out of **18** stickers to win a special prize at the end of summer!

Each sticker is located in a special spot that connects to the Little Ranger Activity. Check out the sticker legend on **Page 1** for a full list of where stickers are located.

If you discover missing stickers, ask a trusted adult to initial your sticker dot and we'll supply your missing sticker at a later date. Please feel free to contact the Rangers at **570-893-5900** to let us know the stickers are empty.

Sticker Legend

Rainy Day?

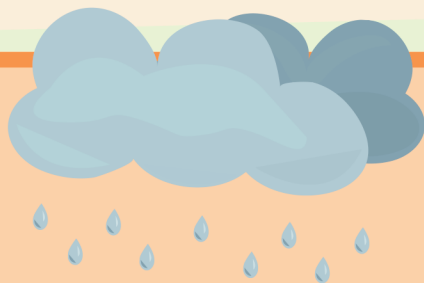

Try a Living Room Camp Out!

Step 1: If you have a tent, clear some space, and set it up inside your living room. If you don't have a tent, let your creativity show by making one out of sheets or blankets.

Step 2: Make your own nighttime stars by hanging holiday lights or drawing some on paper, cutting them out, and hanging or taping them up. Safely keep a candle lit, or make a pretend campfire out of paper and sticks.

Step 3: Gather together with your family, tell stories, sing songs, eat snacks, or watch a movie. Sleep under your stars in your tent, next to your campfire, and enjoy the memories you're making.

.....
Draw a picture of your camp!

Ranger Wellness

Do you know that there are activities and habits you can learn that will make you feel happy?! In this section of your Ranger Passport, we're going to learn about those fun practices and goals. Find a friend, family member, or mentor, and work together on creative ways to complete your happiness challenges!

Things we'll learn!

Acts of Kindness

Movement and Exercise

Taking Screen Breaks

-Kindness-

Doing kind things for other people makes everyone happier!
Over the next 7 days, try to perform 7 acts of kindness.
They don't need to be over-the-top or take a lot of time. Send someone a nice note, help a friend or family member with a chore, or donate to a good cause!

Have a friend or family member sign
in recognition of your work!

-Exercise-

Exercise doesn't just keep us healthy, it also makes us happy!
Try to get active for **30 minutes** every day for one week!
Have fun with your activity - Go for a walk, dance around the room, build a fort, try a new sport, or jump on the trampoline. Just have fun!!!

-Take a break-

Guess what? Pausing your social media, and getting away from screens makes you happier. Give up **3 hours** of screen time every day for 1 week and replace it with a fun activity! Learn a new recipe, take a hike, hang out with your friends and family, and have a good time!!!
