The Activity Passport:

Starting secondary school is a great opportunity to try new things, discover new interests, and meet new people. This Passport is here to help you explore the wide range of clubs, activities, and opportunities available across North Tandridge.

Use this booklet over the summer and beyond to find activities that interest you. Each opportunity includes helpful icons to show whether you can get active, try something creative, or meet new friends and much more.

When you take part in an activity, add a stamp to your Passport. You can stamp your Passport yourself, but it's even more fun to ask the club or organisation to stamp it for you!

Let's Talk !

Are you aged 13 to 18 ?
We want to hear what it's really like growing up in North Tandridge both the good stuff and the not-so-good stuff, and what you think could make it better.
Your feedback will help the North Tandridge Neighbourhood Area Committee understand what matters most to young people and how things for young people can improve.
