Fast Facts

- The Parks, Recreation, Trails & Open Space Master Plan and Bicycle Transportation Map guide land acquisition, park redevelopment and renovations, and recreational trail system development throughout Plano.
- Renovations at community parks target parks 20 years and older, such as Schell Park which was developed in 1975 and 1982.
- Continued development of parks include park improvements such as park walkways, trees, playground expansions, lighting, benches, restrooms and picnic areas.
- A new maintenance facility west of US 75 will replace an existing facility due to a reuse of the current site.
