Haringey LONDON

Be a HALS hero!

New Haringey Adult Learning (HALS) courses are now available online and are still FREE! It's a great opportunity to upskill or reskill. Visit **www.haringey.gov.uk/HALS** to view a full list of Autumn term courses and register for your free place today.

Upskill, learn something new or just keep connected and make new friends. From Maths and English to IT to Accountancy/Bookkeeping and many more, there is something for everyone! What will you learn this September?

Ana started with HALS in 2019 by doing a childminding qualification which she could study around her own childcare responsibilities for two young children. She enjoyed the course greatly but with Spanish being her first language, she was advised by her tutor to improve her English skills as this would help her boost both her confidence and employability. Ana completed both her Level 1 and Level 2 Functional Skills English over the next year achieving a strong pass and then decided to turn her attention to her Maths skills which had always been an area of challenge for her.

Ana said of her studies, "It's up to you. You need to focus and think this is what you want and this is what you have to do. You have to set your own goals. "Having seen her husband working and studying at the same time also with HALS, Ana wants to make the most of her time while she is still at home looking after the children to upgrade her skills and get ready for re-entering the workforce once her children start full time schooling. Ana plans to continue improving her Maths this September.

COMING UP: AUTUMN CONSULTATION THE COLOURWAY PROJECT, PARK VIEW UNDERPASS

Haringey Council is delivering a programme of improvements to create a network of enhanced open spaces and green pedestrian links running from Tottenham High Road to the Lee Valley.

This includes improvements to the Park View Road Underpass located at the end of Park View Road. The Colourway Project will transform the Underpass into a safer more attractive and stimulating route for pedestrians and cyclists.

The improvements include colourful public art and signposting which will be integrated into physical improvements, landscaping, re-surfacing and maintenance works which will address issues such as a poor visibility, flooding, and the quality of paving and surfacing.

The artwork is being put together with the local community. This image is for illustrative purposes only

We will be asking to hear your views on the proposals for the Underpass in a public consultation later this autumn. To get involved please visit **https://thprojects.commonplace.is/news** and register for updates.

THESE GIRLS DO!

Every Monday from 13 September until 13 December, 5-9pm Broadwater Farm Community Centre is hosting a programme of activities for women and girls as part of the 'These Girls Do' Project.

Activities include dance, yoga, girls' football, self-defence and more, and will be led by various organisations such as London Elite and Sekhem Arts.

'These Girls Do' is a fantastic opportunity for women and girls to learn new skills, gain new confidence and enhance their physical and mental well-being in a safe environment.

The programme will continue in January for 10 weeks and again in March for 8 weeks.

PADDOCK CONSULTATION – THANK YOU

Thank you to everyone that shared your views on how to improve The Paddock Nature Reserve by completing the online surveys, meeting the design team in person, or emailing the project team directly. Your feedback will help shape the developing plans for the site with developed designs proposed later this year.

To learn more about the project and to keep up to date with the latest plans, please visit **https://thepaddock.commonplace.is/**

ACCELERATE HOMEWORK CLUB FOR YEARS 6,7,8 AND 9!

Do you have a child between the ages of 11 and 14? Would your child benefit from extra homework assistance during term time? If you answered yes to both questions, then ACCELERATE Homework Club is for you!

ACCELERATE Homework Club is open to Tottenham residents and funded by Argent Related. Starting 22 September, the club will run every Wednesday during term time from 4:30pm-6pm at the Engine Room.

The Homework club is completely free, and snacks will also be provided. This is a great opportunity for children to receive homework assistance and extra support in a safe and relaxed environment.

Spaces are limited so make sure to register early! For more information and to request a registration form, please email **Lucetta.deane@engineroom.org.uk**

The club are also interested in recruiting more volunteers to assist with the pupils. All volunteers are DBS checked free of charge by the Engine Room. If this sounds like the opportunity for you, email Lucetta at the above email address.

MEET YOUR ENGAGEMENT OFFICER

My name is Ruth, and I am the Community Engagement Officer for Tottenham Hale and Tottenham High Road (South Tottenham). My role is to support residents by building relationships within our community in preparation for economic and social changes as result of development.

I am especially fond of our area; when I emigrated to the UK from the USA, the first community that I lived in was in Haringey near Philip Lane. I am committed to strengthening our communities. My hope is that I can collaborate with local people to facilitate opportunities to learn, create, better communication and increase access to resources for local people. I am eager to listen to residents who are the experts on what our South Tottenham community needs. I look forward to serving South Tottenham.

My contact details are:
