Dear Resident,

Autumn update – Completion of one new council home at Farrant Avenue

We are writing to let you know Haringey Council has now finished building one new council home at Farrant Avenue. We would like to thank residents for their patience and understanding while the construction work was taking place.

About the new council home at Farrant Avenue

The new council home built at Farrant Avenue is part of Haringey Council's ambitious home building programme, that is delivering the first new council homes in a generation. The council aims to build 3,000 new homes in the next decade, with as many as possible being built on council-owned land. You can find out more about our ambitious home building programme at: haringey.gov.uk/housing/council-homes/haringey-homes

Key details of the new home at Farrant Avenue include:

- One new home for council rent comprising of a two storey three-bedroom family home, with front and rear garden.
- The new home has high levels of insulation and incorporates other features such as energy efficient heating.
- Designed to be in keeping with the character of Noel Park Conservation Area.
- A new replacement side gate for existing council tenants to access Lordship Lane in an emergency.
