Road Traffic Regulation Act 1984

The Aberdeen City Council (Off-Street Car Parks, Aberdeen) (Amendment) Order 202_

Statement of Reasons

Controlled parking, operating on any Sunday, between the hours of 1pm to 5pm, was originally established in the core city centre off-street Car Parks operated by the Council on 5 November 2000. In the intervening period since, it is considered vehicle trips are now generated throughout a longer period on any Sunday, and where it would be beneficial to extend the charging hours to 8am to 5pm, this in terms of providing a turnover of parking, protecting residential parking amenity, and encouraging sustainable transport.
