Design proposals and mince pies!

Making safer spaces together: undercrofts and entrances

Over the last six months, you've told us about improvements you'd like to see in the car park spaces underneath the blocks.

Join us to learn how your feedback has shaped the Debden Pilot Undercroft Project and explore plans to improve the car park and communal space underneath the block.

You can also help choose materials for the longer-term improvements inside and out, including:

- Communal floor and wall materials
- Signage styles

Monday 9 December

2pm to 4pm

The Jazz Café
Broadwater Farm
Community Centre
Adams Road, N17 6HG

No need to book - just come along

FREE mince pies and refreshments while they last!
