Option A - Closure of High Street from Cheam Road to Reigate Road to all Traffic Except Buses

Predicted change in traffic volumes as a result of proposals

% change	up	down
0-19%		
20-39%		
40% +		

Figures are percentage changes from the current flow and display AM peak hours (8-9am)

Staneway and West Street would have no through traffic except for resident access due to mitigation measures proposed.
