NORTHUMBERLAND PLACE ACTIVE STREET CONSULTATION

YOU SAID WE DID SUMMARY

1

YOU SAID

Will there be loss of parking space if a Play Street is implemented on Northumberland Place?

WE DID

By proceeding with Option 1 there is no net car parking loss, addressing any concern around additional pressure on parking.

2

YOU SAID

Will a Play Street on Northumberland Place increase traffic on neighbouring streets?

WE DID

Traffic surveys conducted to support the scheme suggest there will not be a significant amount of displaced traffic, nonetheless additional monitoring will be undertaken to monitor traffic levels in the area and investigating mitigations if necessary.

3

YOU SAID

Is there access to parking, loading and taxi drops during the hours that Play Street on Northumberland Place is operational?

WE DID

There will be 24/7 access to parking, loading and taxi drops this includes during the hours that Play Street on Northumberland Place is operational.

4

YOU SAID

Why have a Play Street on Northumberland Place when there are parks and gardens nearby?

WE DID

The ActiveWestminster Strategy sets out the ambition to create as many places and spaces for people to be active. This includes children, young people and families, thus through the Active Streets programme the council aims to create as many accessible spaces for play on the doorstep of residents.
