**Holtdale Close**

At this site, we are planning to plant approximately 4 standard trees (larger trees, approximately 6 to 8 ft tall), the locations of which are shown in the above map, where yellow points represent standards. Standard tree planting will occur over the next couple of years.

**Swaine Hill Terrace**

At this site, we are planning to plant approximately 738 whips (small saplings), the locations of which are shown in the above map, where blue shapes represent whip planting which will take place this winter from November to February.

**Henshaw Oval**

At this site, we are planning to plant approximately 9 standard trees (larger trees, approximately 6 to 8 ft tall), the locations of which are shown in the above map, where yellow points represent standards. Standard tree planting will occur over the next couple of years.
