6 Proposed Floor Lay Out - First Floor

1 Staff Kitchen
2 Meeting Space
3 Family Kitchen
4 Community Space
5 Flexible Work

Proposed First Floor Plan

The rooms in the existing building will be used as family rooms and meetings rooms with a large multi-purpose room overlooking the courtyard. A family kitchen is also provided. One half of the new building will be a double-height space, the other half will provide a work area for the staff of the centre.

Proposed view of the multi-purpose training room - C

The larger first floor spaces in the existing building will be combined to become a generous multi-purpose training room overlooking the courtyard and the new Hall

Proposed view of the staff work space - D

The staff area in the new building benefits from the exposed timber construction and overlooks the park
