Dorking and Villages Engagement Event
Westcott Community Hub

Friday 14 November 2025

NAC Engagement Overview

In line with Neighbourhood Area Committee meetings the engagement is a shared commitment to listening and learning. Through conversation we invited residents to explore 4 questions.

The insights gathered will be compiled and shared with NAC members to support thoughtful discussion and guide future planning. This ensures that the community's voice is not only heard but placed at the centre of decision-making and action.

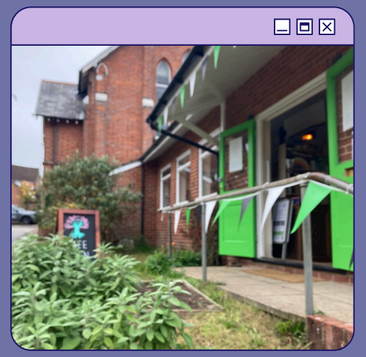

Resident Insight & Feedback

- Some footpaths are very overgrown and are difficult to use, making it unsafe for pedestrians.
- Parking is challenging in the village and will become more of an issue when new developments are built.
- Mental health provision only seems to be available for people in crisis.
- Sometimes having to wait weeks for a GP appointment and filling out long online forms.
