

# Charles County Comprehensive Plan Update

## What is the Comprehensive Plan?

The Comprehensive Plan is Charles County's roadmap for growth and development through 2050—Guiding land use, housing, transportation, the environment and economic opportunity.

## Why Update the Plan?

- ◆ State law requires updates every 10 years
- ◆ Address growth, housing, and infrastructure needs
- ◆ Protect farmland and natural resources
- ◆ Plan for transportation and job growth

## Key Focus Areas

### Housing

Affordable and diverse options

### Transportation

Better connectivity, less congestion

### Environment

Protect rural land and waterways

### Economic Growth

Support businesses and jobs

### Equity & Engagement

Include every voice in planning
