Resident Voices

"I've never considered whether I had a voice in the local area, but the NAC sounds like an amazing way of having one. I'd love to be kept in the loop about how these develop"

Next Steps

This was the first of three NAC events in East Elmbridge. Future events will include voices from young people and families to build a fuller picture of community life. These conversations will help inform and support the NAC in shaping community-led initiatives and guiding local decision-making that reflects the needs and priorities of residents.
