Dorking and Villages Engagement Event
Box Hill Warm Welcome

Thursday 27 November 2025

NAC Engagement Overview

In line with Neighbourhood Area Committee meetings the engagement is a shared commitment to listening and learning. Through conversation we invited residents to explore 4 questions.

The insights gathered will be compiled and shared with NAC members to support thoughtful discussion and guide future planning. This ensures that the community's voice is not only heard but placed at the centre of decision-making and action.

Resident Insight & Feedback

- Loss of independence when no longer able to drive and no suitable transport available.
- There is only one small shop which is not very friendly and only sells limited products.
- The Warm Welcome has helped reduce isolation and been a lifeline to those attending.
- A cash point would be really beneficial, as post office is only way to access cash.
