Finance & Resources

Director of Delivery – Robbie Erbmann

Date: 24 April 2025
Our ref: Parkland Walk Temporary Closure

Dear Resident,

Temporary Closure of Parkland Walk (Monday 28 April to Wednesday 30 April)

The council is building 32 new council homes and 9 homes for private sale at 100 Woodside Avenue. Our contractor for the new homes is Formation Design and Build Ltd. You can find out more about the project at: https://cranwood.commonplace.is or scanning this QR code.

Scan this QR Code for our 100 Woodside Avenue (Cranwood) website

The section of the Parkland Walk running down from Muswell Hill Road and the subway will be temporarily closed from Monday 28 April to Wednesday 30 April. This temporary closure is to enable Formation Design and Build Ltd to install a gantry system above the Parkland Walk to house their site office and welfare facilities for the duration of the construction. Once the new homes are built, the gantry will be removed, and the Parkland Walk fully reinstated.

The gantry system's scaffolding will be put up on Monday and Tuesday, with the site office cabins due to be delivered on Wednesday. The Parkland Walk will then be re-opened.

During delivery and installation of the cabins, the pavement on the site side of Muswell Hill Road will be temporarily closed, which will require crossing Muswell Hill to go round.

We do apologise for any inconvenience caused and thank you for your understanding and cooperation during the installation works.

With kind regards,

Barry
