Broadwater Farm NEWSLETTER

Putting you in the driving seat on community projects

We're looking forward to working with you to ensure that 2018 is a year of improvement for all residents. You may already know from July's newsletter that Haringey Council has received funding from the Ministry of Housing, Communities & Local Government (MHCLG) to create better access to employment and skills opportunities, education, health and wellbeing on Broadwater Farm.

The £1million funding will enable us to work with Broadwater Farm residents and other stakeholders to deliver improvements during the next three years. .

We'll be supporting local groups to develop their own proposals and bid for funding for projects that could make a real difference to Broadwater Farm. Once proposals have been drawn up, all residents will be invited to take part in a Community Voting Day where you'll be able to find out more about the different proposals and vote for which projects you think should be delivered.

We hope to hold the voting day this summer. If you'd like to attend, submit a project or want more information, please email **BWF@haringey.gov.uk**

Meet your new Community Engagement Officer

Part of the MHCLG funding will support a dedicated Community Engagement Officer, to work directly with residents to identify priorities for their estate.

"I am Genstacia Bull and I am your new dedicated Community Engagement Officer. I have been working in community engagement for over eight years. I am looking forward to meeting you and finding out more about life on the Farm.

Outside of work, I like to volunteer my services for different charities. I have volunteered for Beanstalk as a reading helper to children between 10 and 11 years old. I have raised money and volunteered my services over the Christmas holidays for Crisis, a homeless charity. My latest volunteering service was getting involved in packing Christmas boxes in conjunction with Samaritans for children in Eastern Europe.

Activities for residents are already underway on Broadwater Farm. English (as a second language) courses have started and I am currently planning a community-voting day.

If you have any thoughts or comments, you would like to share with me you can email me on **BWF@haringey.gov.uk**"

Drop -in sessions:

Genstacia will be available in different concierge areas on Thursday afternoons. Please check your block for further details.

FEBRUARY 2018

Broadwater Farm **NEWSLETTER**
