Dear Resident,

ABANDONED VEHICLES ON BROADWATER FARM ESTATE

Please be aware that we will be removing more cars and vans which have been abandoned on Broadwater Farm estate over the next month. Notices will be issued to these vehicles, under the provisions of the Refuse Disposal (Amenity) Act 1978 before removal, giving 7 days for you to register the vehicle or remove it yourself, or 24 hours if the vehicle is unroadworthy or dangerous. Once removed, the vehicle will be immediately destroyed.

Please note that SORN notices are not accepted for vehicles left on Haringey Estate roads/parking areas. You must not park any untaxed vehicle on Council land. If you have a Statutory Off-Road Notification (SORN) for a vehicle, then you must either Tax the Vehicle or remove it yourself, or we will issue an abandoned vehicle notice notice for it to be removed and destroyed.

If you have a vehicle which you need to be removed and scrapped, your vehicle may have scrap value. You can contact any reputable scrap vehicle company privately to arrange collection.

Should you have any queries regarding this matter do not hesitate to contact our customer service team on 020 8489 5611.

Yours faithfully,

Chris Vavlekis
