Dear Resident,

It has been four weeks since we commenced works on the site and are pleased to report the following progress;

- Redundant garages demolished.
- New pile foundations installed for the new apartments and bin store.
- Work commenced on foundation ground beams.

Come along to our first Meet the Contractor event on **Monday 15 December 2025, 4:30pm – 6:30pm at the Cypriot Community Centre, Earlham Grove, N22 5HJ.** Here you will have a chance to meet the project team and find out more about the project.

Throughout this week and into January, we will continue to form the foundation ground beams and prepare for installation of the ground floor.

Please note the site will be closed over the Christmas period, from Friday 19th December until Monday 5th January. No works will be undertaken during these times.

With the site closed, we wish all residents a warm, joyful and peaceful holiday season and offer our best wishes for a healthy, happy and prosperous New Year.

If you have any queries whatsoever about works or the site, please do not hesitate to contact Vasyl or alternatively you can contact our Resident Liaison Officer Nicola McCalla on 01268 711117.

Building sites can be dangerous places and we would be grateful for your co-operation in reminding any children in your care of the dangers of playing on building sites and the need to keep away.

24 Hour Emergency

In the event of an out of hours emergency or if you spot something untoward on site, please telephone 01268 436449 and you will be diverted to a team member who will be able to assist.
