Our ref: Turner Avenue play equipment and seating proposals

Dear Resident,

Update on Turner Avenue play equipment and seating proposals

Thank you to every resident who took part in our recent discussions with the community about the council's proposals for new play and seating improvements to the Turner Avenue estate. This in connection to the 45 new council homes we are building at Brunel Walk for local residents.

For more information on the new homes being built at Brunel Walk or if you'd like to view the site-wide proposals in more detail, please visit our Brunel Walk web hub. Simply follow the QR code opposite or visit: brunelwalk.commonplace.is

In terms of the outcome of these discussions, here are the results of the chosen options:

Play equipment in the Active Play Space

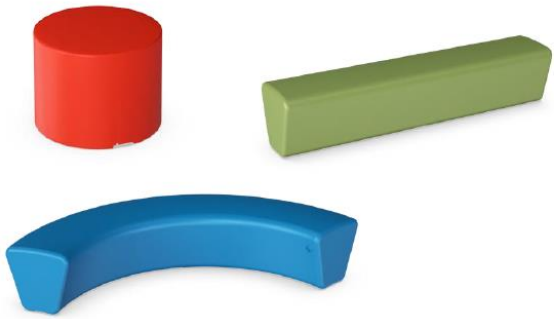

Final proposal: Option B – Triple Tower with Slide

The majority of the respondents favoured this style of play equipment for the new play space.

Seating colour throughout the estate

Final Proposal: Multi-colour

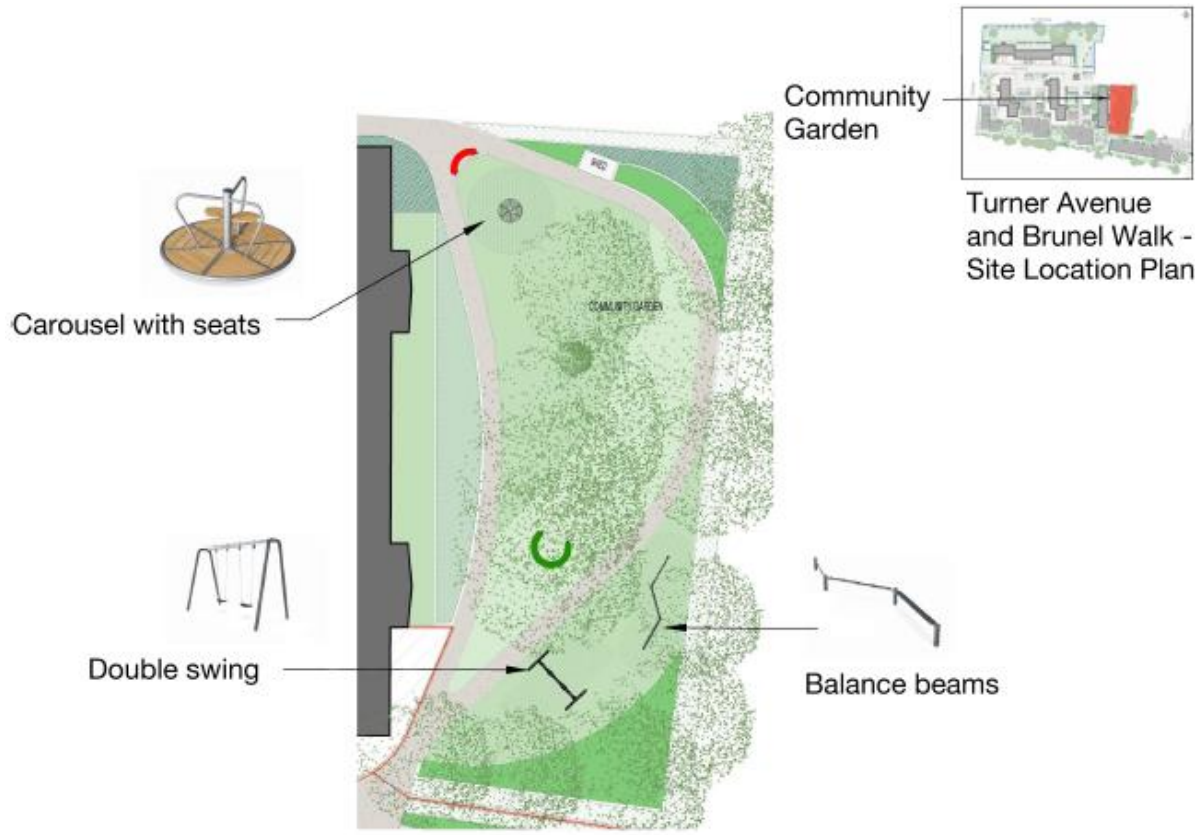

Multi-colour seating was the most popular choice amongst respondents.

Community Garden Design

Final proposal: Option 1 – Seating and Play Equipment

The options with seating and play equipment was far more popular than the option without play equipment

Option 1 – Seating and Play equipment in the community garden

The options will now be installed as part of the new council home project around the Turner Avenue estate. Thank you again for your views!

Haringey Council has an ambitious home building programme to deliver the first new council homes in a generation, with as many as possible built on existing council owned land. Our aim is to build 3,000 new homes by 2031: we are well on the way to achieving this target, with work already completed or begun on more than 2,000 homes across the borough.

For more information on our home building programme please visit the QR code opposite:

Further information

If you have comments, questions or need to access this information in a different format, please contact me on engagement@haringey.gov.uk or call on 020 8489 5091. I would be happy to assist you.

Yours faithfully,

Calum Pollock
