Section 05
Proposed Cross Section through a wider part of Parkland Walk with 3.5m wide path and dead hedging
Scale 1:25@A3

Dead hedging to be put in place to protect the adjacent vegetative area as it regenerates and promote biodiversity/ richer habitats

Area gained by the Local Nature Reserve with vegetation of greater biodiversity

Width of Parkland Walk reduces to 3.5m

Area gained by the Local Nature Reserve with vegetation of greater biodiversity
